

Fall Prevention

Eastleigh Falls Intervention Pathway

To help older people who are unsteady, have a fear of falling or have had a fall previously.

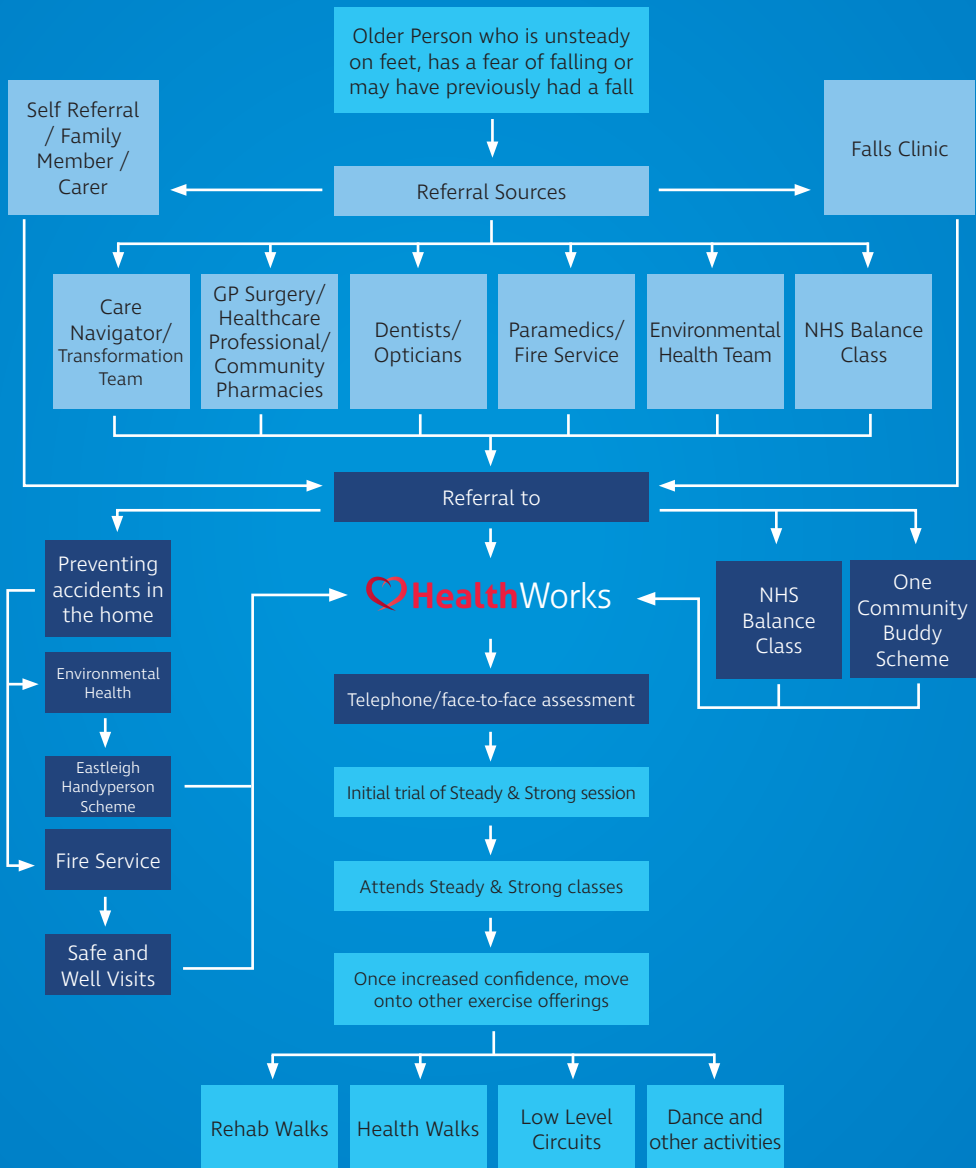

Community classes (Steady and Strong) referrals should be made to the Healthworks service which is run by Eastleigh borough Council.

Health Works can refer to other sources of support including the Eastleigh Handyperson Scheme, Eastleigh Environmental Health for disabled adaptations, One Community for help with transport, visiting schemes, community groups.

Call HealthWorks: 023 8068 4813
or email: healthworks@eastleigh.gov.uk
